

Schoolboy Sports Scholarship

Empowering Local Students to Achieve Their Goals

Purpose

Schoolboy Sports has been proud to broadcast the games and stories of our local high schools for years. Now, we're honored to give back to the same communities that have supported us by helping graduating seniors take their next step — whether that's college, trade school, or another form of training.

Eligibility

Be a graduating senior from one of the six high schools Schoolboy Sports currently covers. Have plans to pursue further education or training after high school (college, trade school, certification program, etc.). Submit all required application materials by the deadline. No minimum GPA is required, but applicants must submit a transcript.

Award

For 2025, the Schoolboy Sports Scholarship Fund will award **two scholarships of \$1,250 each** (amounts may vary if additional donations are received). Funds are intended to help with educational or training expenses but will be given directly to the student.
